

YEAR 3 CURRICULUM OVERVIEW - SUMMER TERM

Our whole school theme this term is 'Learning from Ancient times'.

The question Year 3 are going to answer is

What were the achievements of the Ancient Egyptians?

HISTORY AND GEOGRAPHY

In the summer term, children will answer an enquiry question in each lesson which is linked to history or geography:

- Where is Ancient Egypt on a timeline?
- What is a river?
- What impact did the Nile have?
- How did they farm the land?
- What is mummification?
- Who ruled Egypt?
- How and why were pyramids built?
- Who were the Egyptian Gods?
- Why are hieroglyphics important?
- How do we know so much about Ancient Egypt?

ENGLISH

Children will be exploring beautiful books and film clips as a stimulus for learning to write:

- a biography
- instructions
- narratives

MATHS

Topics this term include:

- Fractions
- Money
- Time
- Shape
- Statistics

SCIENCE

Units of learning will focus on:

- Light
- Plants

ART and DT

DT - Mechanisms Linking to the Year 3 topic about Ancient Egypt, children will make an Egyptian Shaduf!

Art - Year 3 children will be looking at the artist Chiaozza and using paint to create a scene of a variety of plants, linking to their science topic.
