## Year 6 SATs Attack Meeting.

Dear Parent/Carer,

We are aware that the move from primary school to secondary school can sometimes be daunting and a smooth transition process is an essential ingredient to ensure success. The children are expected to be much more organised and independent and these changes alone can affect their learning.

During the rest of this academic year, we are going to help Year 6 children by introducing some new features into their learning which will help foster independence, and for this to be effective we will need parental support.

In order to share with you our new ideas, we are holding two new meetings on Thursday 17<sup>th</sup> January - the first at 2.30pm and the second at 5.30pm. Each meeting will be held at school and will last for approximately 30 minutes. Parents only need to attend one session. Children of parents who attend will receive a pack of resources that will help with the revision process leading up to the Key Stage 2 SATs in May.

We hope that you will be able to attend. Please would you note this date in your calendar and return the slip below to the class teacher indicating which meeting you will be able to attend.

Yours sincerely

Year 6 teachers
